**U.S. Probation Officer Action:**

While the probation office is discouraged by Gary's actions, we are requesting an opportunity to address his noncompliance internally. We intend to refer him to mental health treatment and outpatient drug treatment. We also plan to provide him with a life skills home study workbook designed to teach cognitive skills to overcome chemical cravings. We will work with Gary to ensure he completes the assignments in the workbook. We will continue to monitor his employment search. If Your Honor agrees with our plan, the probation office will also present a copy of this order to the offender as a formal written reprimand. We will advise the Court of any additional noncompliance.

Respectfully submitted,
